

**SB 267 DISTRICT TEMPORARY TRANSFER  
Authorized User Consent to Transfer**

The Authorized User ("Patron") hereby consents to the temporary transfer of water appurtenant to property described on the Oregon Water Resources SB 267 District Temporary Transfer Application, #TP-2026-\_\_\_\_\_

Patron

Name: \_\_\_\_\_

Mailing Address: \_\_\_\_\_

City, State, Zip Code: \_\_\_\_\_

Telephone Number: \_\_\_\_\_

Patron consents to the temporary transfer of \_\_\_\_\_ acres of water rights **OFF** of Tax Account# \_\_\_\_\_ ("Authorized Lands") and acknowledges agreed upon portions of these Authorized **Lands WILL NOT** be irrigated during the months of April through October.

Water right included in this district temporary transfer shall be delivered to and beneficially used at the temporary place of use, providing the water right beneficial use, the same as if used on the Authorized Lands.

This temporary transfer will expire Oct. 31, 2026, reverting transferred water back to the Authorized Lands.

Patron is responsible for payment of the 2026 Santiam Water Control District ("District") assessment on the water included in this temporary transfer.

The receiver(s) of this water right will pay the District \$35.50 per acre of water temporarily transferred to the receivers' lands. The original landowner as well as the water right recipient will be responsible for payment of a \$135 per lot administrative fee.
